NOTES FOR PROSPECTIVE PURCHASERS

1. THE CATALOGUE

This catalogue contains details about properties being sold at auction. Those details are subject to change up to and including the day of the auction. Please check our website regularly at auctions.durrants.com/auction-calendar.asp and look out for any additional materials available on the day of the auction, in order to stay fully informed with the up to date information. All lots will be sold in accordance with RICS Common Auction Conditions 3rd Edition and any Special Conditions of sale as produced by the solicitors for each individual Lot. A copy of these conditions is available for inspection at the Auctioneer's offices or any of the Vendors' Solicitors. Durrants reserve the right to withdraw any lot and alter the Order of Sale.

2. RESERVE PRICE

The vendors's minimum acceptable price at auction and the figure below which the auctioneer cannot sell. The reserve is undisclosed and can be subject to change up to and including the day of the auction. The Vendors reserve the right for Durrants to bid on their behalf up to the reserve.

3. GUIDE PRICE (*)

The guide prices quoted in this catalogue are indicative only and given to assist prospective purchasers in deciding whether to pursue a purchase. The guide price can be shown in the form of a minimum and maximum range within which the acceptable sale price (reserve) would fall, or as a single price figure within 10% of which the minimum acceptable sale price (reserve) would fall. A guide price is different to reserve price (see separate definition above). The guide price can be subject to change at any time prior to the auction. Prospective Purchasers should make the appropriate enquiries regarding the revision of any guide price.

4. LEGAL DOCUMENTS

- Will be available 7-10 days prior to the Auction
- Durrants will also endeavour to ensure that the legal documents are available for inspection at the Auction Venue on the day of sale. Please contact the relevant office to confirm.

5. SALES PRIOR TO AUCTION

Where a person is interested in purchasing he should ensure that the Auctioneer is aware of his interest as sometimes properties are sold prior to Auction. Should a Purchaser wish to make an offer to purchase prior to the Auction date, then he should contact the Auctioneer's relevant office. A Purchaser's offer should be his best and final offer as the Auctioneer may not consult the bidder further. If the offer is accepted there will be no commitment on either party until contract is exchanged. Durrants will endeavour to respond immediately to all offers, however if a Purchaser does not hear from the relevant office within 48 hours of submitting an offer then it should be assumed that the offer is not acceptable at that time, but may subsequently be reviewed. Prospective Purchasers should therefore contact the relevant office prior to the Auction to enquire as to whether the lot will be offered at the auction or whether it has been withdrawn or sold. Neither Durrants nor the Vendor will be responsible for any losses or abortive costs incurred by prospective Purchasers in respect of lots which are either withdrawn or sold prior to the Auction.

6. VIEWINGS

All viewings are strictly by appointment with the Auctioneer's relevant office, unless otherwise stated. Viewing arrangements are printed in the catalogue under each individual lot. All viewings are at viewers' own risk. Whilst viewing, prospective purchasers should satisfy themselves as to the location, boundaries and condition of each lot prior to the auction.

7. SALES PARTICULARS

- Any areas and measurements referred to within the particulars within this catalogue are approximate and are for guidance only and do not form part of any contract
- Any photographs or plans that are included within this catalogue are provided for the convenience of prospective purchasers only and are not necessarily to scale and do not form part of any contract. Neither the vendors, their agents, Durrants, nor any person in their employ give or are entitled to give any representation or warranties whatsoever in relation to the properties or any part thereof.
- Plans referred to in this catalogue are based on Ordnance Survey Maps with the Sanction of the Controller of HMSO. Crown Copyright Reserved. Licence No. ES100004151.

8. LIABILITY OF THE BIDDER

The successful bidder will be under a legally binding contract upon the fall of the Auctioneer's gavel and must immediately provide to the Clerk of the Auctioneer their name, address and telephone number and, where appropriate, the name and address of the person or company on whose behalf he or she has bid, together with the name and address of the Solicitors acting on behalf of the Purchaser. Where such a bidder fails to provide such information the Auctioneer shall be entitled to re-offer the property for sale. The information provided will be used to complete a memorandum of contract in the form of a memorandum found in the inside rear cover of this catalogue which the successful bidder must sign and exchange with the Auctioneer's staff prior to leaving the room.

9. INSURANCE

The successful Purchaser will be responsible for insuring the property from the fall of the gavel and should make his or her own arrangements in this regard.

10. DEPOSIT

Each Purchaser will be required to pay 10% deposit, subject to a minimum deposit of £3,000 whichever is the greater. This deposit should be by Banker's Draft, cheque, or debit/credit card made payable to George Durrant & Sons Ltd. A separate deposit will be required in respect of each and every lot purchased. Credit card payments are subject to an additional 2%. Please note we cannot accept payment of deposits in cash.

11. BIDDER REGISTRATION AND MONEY LAUNDERING

We are required to comply with the Money Laundering Regulations. Prospective purchasers are required to register prior to the auction to obtain a bidding number. Purchasers will be required to provide two forms of identification. Purchasers must allow Durrants to photocopy the documentation for storage and file for up to 5 years. The two documents can comprise either a current signed passport, current UK photo card, driving licence or full UK driving licence old version, and a utility bill issued within the last 3 months (not mobile 'phone), Local Authority tax bill valid for the current year or bank, building society, credit union statement (containing the current address). If you are acting on behalf of another party see our terms and conditions for proxy and telephone bidding contained within this brochure.

12. ALTERATIONS

Prospective Purchasers should note that there may be amendments or additions to the sales particulars, conditions and extra conditions and Special Conditions of Sale. Any addendum relating to these amendments will be available at the Auction and will be attached to the sale contract and form part of the contract of sale. The addendum may have to be signed on behalf of the Purchaser. Purchasers will be deemed to have read and considered the particulars, conditions, extra conditions and addendums and have full knowledge of these and all documents and other matters referred to.

13. IF YOU CANNOT ATTEND THE AUCTION

Durrants strongly advise that all interested parties should attend the auction in order to bid. If it is not possible, then only by prior arrangement a Purchaser can authorise the Auctioneer to bid on his behalf (by proxy) up to a specified limit. Alternatively, a Purchaser can bid by telephone whereby a member of the Auction staff will take bids, and bid on his behalf in the sale room. The telephone/proxy bidding form and terms and conditions can be found in this brochure.

14. GENERAL NOTE

Durrants and any joint agents give notice that:

- These particulars are produced in good faith, are set out as a general guide only and do not constitute any part of a contract;
- No person in the employment of Durrants or any joint agent has any authority to make or give any representation or warranty whatsoever in relation to these properties.
- If any interested parties are not familiar with Auction procedures or require general or specific information relating to a particular lot Durrants will endeavour to assist. Prospective Purchasers are strongly advised to take independent professional advice prior to attending the Auction.

15. BUYER'S ADMIN FEE

A charge of £250 (plus VAT) per lot will be payable by all successful purchasers and this fee is to be added to the deposit and paid on the day of the auction.

17. FIXTURES AND FITTINGS

All fixtures and fittings including carpets, curtains, garden ornaments and furniture are excluded from each sale unless stated otherwise in the particulars of sale for the individual lot.

18. WAYLEAVES, EASEMENTS AND RIGHTS OF WAY

TERMS AND CONDITIONS FOR TELEPHONE AND PROXY BIDDERS

Where a prospective buyer is unable to attend an auction sale, or any part thereof, he/she may send a signed bid on the reverse of this form, together with the maximum price he/she is prepared to authorise the Auctioneers to bid on his/her behalf, or arrange for the Auctioneers to conduct/relay a Telephone or Proxy Bid. The Auctioneers will not exceed the maximum bidding figure under any circumstances.

The instruction/registration to bid should be accompanied by a bank or building society draft (made payable to Durrants) representing 10% of the maximum bid price (plus the administration fee of £250 plus VAT). Alternatively, a bank transfer can be made into our Clients Account. If the bid price is £30,000 or less then the minimum deposit is £3,300 (including the £300 administration fee). If the bid price is less than £3,000 then the full purchase price (plus the £250 administration fee (plus VAT)) is payable. Should the Lot be bought for less than the maximum bid price then the surplus of the deposit will be deducted from the balance due on completion.

In compliance with the Money Laundering Act, all bidders are required to provide photographic identification and proof of address. All remote bidders should enclose copies of a photographic identity document such as a current passport or UK driving licence and a utility bill/council tax bill or building society/ bank statement/credit card statement or any other form of identity document (with the exception of a mobile phone bill) that has been issued within the last three months that provides evidence of residency at the correspondence address stated under the Buyers details overleaf.

Any bidders acting on behalf of another party will need to provide the documents detailed above for both themselves and the named Buyer, together with a valid letter of authority authorising you to bid on the Buyers behalf. Bidders acting on behalf of a company should provide the above documents for themselves together with a written authority from the company.

Completed bidding forms, accompanying drafts and proof of identity should be sealed inside the envelope provided, which should be clearly marked on the outside with the required information.

The sealed proxy bidding envelopes will not be opened by the Auctioneers until immediately prior to the Auction and the amount of any bid will not be disclosed to the Seller or the Auctioneer conducting the sale from the rostrum. Telephone bidding forms will be opened in advance of the Auction as they require verification of the contact telephone number to provide this service.

It will be assumed that a bid is to be made by telephone if the method of bidding is not clearly indicated on the outside of the sealed envelope and, consequently, the envelope will be opened upon receipt. Bidding forms should be emailed to auctionrooms@durrants.com or posted/delivered by hand to Durrants Auction Rooms at least 48 hours before any sale, unless otherwise agreed. If sending the form and draft by Recorded Delivery then please allow extra time as this service will take longer than ordinary first class post.

If a bidder wishes to bid for more than one Lot then separate forms must be completed for each Lot, with the draft for the total deposits (including administration fees for each Lot) and the necessary proof of identity sealed inside the envelope depicting the first Lot Number for which you are bidding.

A proxy bid must be to an exact figure, ie, the wording "one hundred pounds over the highest bid in the room" would not be acceptable. The Auctioneer reserves the right not to bid on behalf of the telephone/proxy bidder should there be any error, confusion (either apparent or otherwise) in respect of the instructions or accompanying draft. The Auctioneers undertake not to "run" the bidding above the reserve and will bid on the bidder's behalf against those present in the room (and against any other bids he may receive on that Lot) to the limit of their instructions/bid.

A remote bidder must appreciate that his/her offer is binding and that the Auctioneer has full legal power to sign the Contracts on behalf of the Buyer, providing for completion in accordance with the Special Conditions of Sale as applicable to that Lot.

The Auctioneers will make no charge to the Buyer for this service and will accept no liability whatsoever for a bid not being made, whether through late arrival or non-delivery of a bidders registration bidding form, failure to reach a telephone bidder from the Auction Room, lack of clarity of instructions or for any other reason whatsoever.

A successful proxy bidder will be advised by telephone, where possible, and unsuccessful proxy bidders will be notified by post and their deposit returned. Bidders are strongly advised to telephone the offices of Durrants Auctioneers on **01502 712122 between 9.00am and 10.00am** on the day of the auction to ensure that there are no late amendments either to the details or the Special Conditions of Sale.

The Buyer will be deemed to have knowledge of such amendments and will buy subject to them. In the event of a major amendment being necessary, and the Auctioneers not receiving any further instructions from the telephone/proxy bidder, the Auctioneer reserves the right not to bid on behalf of the telephone/proxy bidder.

The Auctioneer's decision is final.
